Thanks Chris,

I do not automatically receive the financial updates however I will ask the City to add me to the list. I have had messages from Shawn and Ralph with updates.

On the permitting front, the Part II application was submitted to PADEP on June 30, 2014. In the collection system, contracts have been awarded for 6th and Canal upgrades and a lot of CCTV work was completed in May and June (see page 5 of the June 30th quarterly report for details). At the treatment plant, the digester project is progressing on schedule. I want to discuss some of the design work for the overall construction with Shawn and I will check in with him next week and report back.

Best,
Lisa

Did you get this Lisa? I get these each month and can forward or save to some designated site.

I talked briefly with Peg and we were both interested to know how/whether the work is progressing at Reading. When you have a moment, can you check in with Reading and/or PADEP and report back on progress?

Thanks!

Hope your summer is going well - mine is rushing by - almost over...

Chris

Hi Chris

Looks like the account is healthy enough to fund the work- Peg

Ms. Hutchinson,

Please see the attached letter attaching the financial statement for the Sewer Enterprise Fund for the City of Reading for the month of June. If you have any questions, please feel free to let us know.

Thank you,

Fred Lachat?
